### Sports, Events and Competition

#### Code of Conduct for Children, Parents, Spectators and Staff

##### Children

Children are the most important people in school sport. Playing for your team or representing your school is an honour – yes, the aim is to win, but that's not the be all and end all; team-work, socialising and making memories... there's so much more to school sport!

You must maintain fair play and respect for all others – this is fundamentally important.

As a child participating in a fixture / event / competition, I will always:

1. Try my best.
2. Abide by the rules outlined before the fixture / event / competition.
3. Respect the decision of the referee, official or judge.
4. Respect my opponents, coach, teacher and spectators.
5. Treat others the same way I would like to be treated myself.
6. Regard it as an honour and privilege to be representing my school team.
7. Take pride in my performance and that of my school.
8. Encourage others to do well and be the best they can be.
9. Accept victory modestly and accept defeat graciously.
10. Shake hands with your opponent at the end of each fixture / event / competition.
11. Thank the referee, official or judge for their efforts.
12. Enjoy it.

## Parents & Spectators

Parents & Spectators have a great influence on children's enjoyment and success in sport. All children play sport because first and foremost they love to do it – it's fun! It is important to remember that however good a child becomes at the sport, parents & spectators should continue to encourage them in a positive and an age-appropriate way.

As a parent or spectator at a fixture / event / competition, you must:

1. Understand attendance at a fixture / event / competition is a privilege.
2. Remember that children participate to have fun and that the fixture / event / competition is for their learning and progression purposes.
3. Not force my child to participate in sports.
4. Inform the coach of any physical injury, disability or ailment that may affect the safety of my child or the safety of others.
5. Be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every fixture / event / competition.
6. Not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent, such as booing and taunting, refusing to shake hands, or using profane language or gestures.
7. Teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
8. Teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
9. Refrain from coaching my child or other players during games and practices.
10. Respect the officials and their authority and never question, discuss, or confront coaches and referees at the fixture / event / competition.
11. Accept victory modestly and defeat gracefully – remember that our team / school will be judged by your actions.
12. Respect other spectators, coaches, teachers and participants.
13. Do not interfere with instructions given by the coach / teacher in charge of the team.

## Teachers, Staff & Coaches

Adults in charge of teams directly affect the behaviour of children under their supervision. They should pay due care to their conduct and be aware that their every-day decisions and actions have ethical implications.

As a teacher, member of staff or coach at a fixture / event / competition I will:

1. Promote the emotional and physical well-being of the children ahead of any personal desire for any child or team to win.
2. Respect the officials and their authority during fixtures / events / competitions and will never question, discuss, or confront them at the fixture / event / competition. If I have a problem I will speak to the event organiser.
3. Display good sportsmanship at all times.
4. Display high standards of behaviour and appearance.
5. Be a good role model for those in my care.
6. Be responsible for my actions.
7. Guide and encourage children to accept responsibility for their own behaviour and performance.

## Respect for School Grounds and Facilities

At Bryn St Peter's Primary School, we take great pride in our buildings and outdoor areas. Whilst you are teaching, coaching, spectating or competing, please look after your surroundings. As we do not have our own football pitch, many of our sporting events take place at other venues and the same expectations will apply at those venues.

As a user of such venues for fixture / events / competitions, I will:

1. Respect the school site, the facilities and surrounding areas.
2. Ensure my rubbish and property is taken with me when I leave.
3. Not smoke on the premises.
4. Not bring any animals except service animals onto the school site.
5. Park appropriately on venue and surrounding roads.
6. Do not cover neighbour's driveways when picking up or collecting children

Supervise any other children I bring with me to the fixture appropriately to ensure their safety and good behaviour.
