7th July 2014

Dear Parent

As from September 2014, every pupil in Reception, Year 1 and Year 2 will be eligible for free school meals and from January 2015, new food standards are being introduced. These are three of the 16 actions in the School Food Plan, which aims to transform what children eat in schools and how they learn about food see (www.schoolfoodplan.com).

Good food culture has been shown to lead to healthier, happier more fulfilled children, and to improved educational attainment.

School lunchtime is an opportunity for all our children to sit together, enjoy a healthy and tasty meal, while developing their social skills. We hope that all parents will take up this offer of a free school meal for our Key Stage One pupils.

Sample menus are available on our website.

We ask that ALL PARENTS fill in the attached school meals registration form. This is important so that we can continue to register pupils who attract pupil premium, which is worth £1,300 a year per pupil for our school. If you have any questions, please contact the school office or speak to Mrs Hilton or Mrs Collier.

More information can also be found on our school website www.brynsaintpeters.co.uk

I hope you will take advantage of this opportunity for your child to enjoy a healthy, balanced and nutritious meal every day.

Yours sincerely,

G A Collier
Headteacher

About this form

From September 2014 all children who are in reception, year 1 or year 2 in a state-funded school will be offered a free healthy school lunch. Children in other school years will also be offered a free school lunch if their parent is receiving any of the welfare benefits listed overleaf.

Registering could raise money for your child's school

Registering for free meals could raise an extra £1,300 for your child's school, to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is available from central government for every child whose parent is receiving one of the welfare benefits listed in the form. It is therefore important to sign up for free school meals, even if your child is in reception, year 1 or year 2, so that your child's school receives as much funding as possible.

How the information in this form will be used

The information you provide in this form will be used by the council to confirm receipt of one of the listed welfare benefits. Once this is confirmed, this helps to decide how much money your child's school will receive each year.

The information will also be used in relation to children in year 3 or above to decide whether they are eligible for free school meals.

You only need to complete this form once and it will last for the duration of your child's time at their current school.

Thank you for completing this form and helping to make sure your child's school is as well funded as possible.

We are committed to ensuring that the personal and sensitive information that we hold about you is protected and kept safe and secure, and we have measures in place to prevent the loss, misuse or alteration of your personal information.

We will use the information you provide to assess entitlement to free school meals. The information may also be shared with other Council departments to offer benefits and services.
