

Bryn St Peter's C of E Primary School

February 2020 Newsletter

Dear Parents/Carers

Just a quick update on what's happening in school...

We've had a great start to the sporting calendar at school with 2 key stage 2 **football teams** representing school in a football match, and children from across keystage 2 were chosen to represent Bryn St Peter's in the local **swimming gala**. We won some; We lost some, but all the children involved were very proud to participate and reported back to school in our school assemblies.

We have now become an ambassador school for Wigan Warriors, which means that we will be invited down to a Super League fixture at the DW Stadium as guests - Watch this space!

The Young Voices Concert took place in Manchester and went down a storm with both children and parents who attended the concert in the evening. Well done all the singers who took part!

Following lots of positive feedback, parent's afternoon/evening will take the format that it did last year. You are invited to come and look at your child's book with them and talk to your child's teacher with your child. Appointments can be made via the school Spider App, which will go live the week before.

A couple of dates you may want to make note of that will be coming up are Fri 6th March, when we will dress up for **World Book Day**, following a week of activities which highlights great literature available for children to inspire them. Details have already gone out to help you prepare. **Easter Parade** at the end of term on Fri 3rd April. Keystage 1 will be invited to enter an **Easter bonnet competition** and Keystage 2 will have an **egg decorating competition**. More details of this will follow nearer the time. Parents are invited in at the end of the day to 'The Easter Parade,' to see what the children have created at home.

We are currently looking for a **Parent Governor**. If you are interested in finding out more about this, please come in and we can have an informal chat. School Governors have a massive impact on the running of the school, and play a vital role.

Wishing you all a very happy half term break.

Julie Alcock
